RE: 2023 Education Property Tax Mill Rates

As announced in the March 22, 2023, provincial budget, the education property tax mill rates to be levied with respect to every school division and property class for the 2023 taxation year are as follows:

Agricultural Property	1.42 mills
Residential Property	4.54 mills
Commercial/Industrial Property	6.86 mills
Resource Property	9.88 mills

These rates are subject to formal approval by Order in Council in the coming weeks.

As in past years, municipalities will collect education property taxes and remit the revenue to the province, with the exception of municipalities with separate school divisions that set their own mill rates.

Separate school divisions must inform the Ministry of Education and all municipalities within its boundaries of their 2023 education property tax mill rates by May 1st.

If you require additional information, please contact the Ministry of Government Relations' Property Tax and Assessment unit at ept@gov.sk.ca.

Sincerely,
