

APPROACH APPLICATION

Applicant Name _____

Contact Number _____ email: _____

Legal Land Location LSD ¼ _____ Sec _____ Twp _____ W3

Lot _____ Block _____ Plan _____

Approval to construct and maintain an approach within the Municipality’s right-of-way will be granted by the Superintendent provided the following conditions are met:

1. _____, agree to indemnify and save harmless the RM of Vanscoy No. 345 from and against all loss, cost, charges, damages (including suffer of sustain as a result of operations by _____ on subject land.
(Contractor)
2. If the RM deems a culvert is required, the cost of the culvert and installation will be paid by the applicant. The applicant will ensure that the installation of the approach and culvert does not alter or impede the natural flow of water. Size and type of culvert shall be approved by the Superintendent **306-281-7571**.
3. The approach shall be built with a minimum slope of 5:1 with a minimum 7-meter (23 feet) road top for the safety of the travelling public. (As per attached typical cross section).
4. Newly constructed approaches shall be a minimum of 50 m from any other approach or intersection.
5. Any approach entering onto a gravel road must be graveled at the time of construction. The RM will not be responsible to supply the gravel.
6. The municipality shall be informed by the Applicant upon completion of the approach and the approach shall be subject to inspection by the Municipality. Any deficiencies identified by the Municipality in the construction of the approach shall be corrected immediately by the Applicant and if not done so within a timeframe specified by the Municipality, the Municipality shall conduct the work and charge cost of the works to the Applicant.
7. A development and/or building permit will not be issued without a permanent approach in place or approach application in process.
8. Completed approach applications to be emailed to connect@rmvanscoy.ca or delivered to the RM of Vanscoy Office.
